	 A screenshot of an Opencart login page. It shows two main sections: 'New Customer' on the left and 'Returning Customer' on the right. Both sections have input fields for 'Email Address' and 'Password'. A red box highlights the 'Forgot Password?' link in the 'Returning Customer' section. A red arrow points from the text 'There are no notes attached to this issue.' at the bottom to the 'Forgot Password?' link.  New Customer Returning Customer Forgot Password?				
	There are no notes attached to this issue.

Summary:	The Store address Geolocation is not matched with the Store address in the footer after clicking the Store info address link				
Description:	The Store address Geolocation is not matched with the Store address in the footer after clicking the Store info address link				
Tags:					
Steps To Reproduce:	<ol style="list-style-type: none"> <li>1. Open the site: <a href="http://opencart.qatestlab.net/">http://opencart.qatestlab.net/</a></li> <li>2. Scroll down to the footer</li> <li>3. Click on the Store info address link</li> <li>4. Pay attention to the Store address in the new opened tab</li> </ol> <p>Actual result: The Store address Geolocation is not matched with the Store address in the footer after clicking the Store info address link  Expected result: The real Store address is displayed in the new tab after clicking the Store info address link</p>				
Additional Information:	Additional environment: Firefox Browser v.106.0.3 (x64) Opera v.92.0.4561.43 (x64)				
System Description	Firefox Browser v.106.0.3 (x64) Opera v.92.0.4561.43 (x64)				
Attached Files:	<a href="#">photo_9.jpg (883,213 bytes) 2022-11-10 21:14</a>  <p>The screenshot shows a comparison between the footer store address and its geolocation. On the left, a screenshot of the website's footer shows the address '1111 New Market Street, Suite 100, Richmond, VA 23219'. On the right, a screenshot of Google Maps shows the same address with a red box highlighting the coordinates '40°40'12.074" N 77°36'24.07" W'. A red arrow points from the footer address to the map.</p>
